

Ther-Biotic® Complete

Broad-spectrum synergistic multispecies probiotic formula

Ther-Biotic® Complete is a high-CFU probiotic supplement providing a combination of 12 different species of beneficial bacteria important to intestinal health and well-being.[†] Probiotic supplements contain live, “friendly” bacteria that support a healthy balance of microorganisms in the gastrointestinal (GI) tract. Probiotics also promote digestion, support immune system function, facilitate nutrient and mineral absorption, and aid in the production of vitamins.[†]

Normally, the human gastrointestinal tract is populated by hundreds of different species of microorganisms important for healthy gastrointestinal and immune function. However, the delicate balance of beneficial microorganisms in the gut can be altered by medications, stress, and other factors, which may affect digestive and immune function. Daily supplementation by children or adults of Ther-Biotic® Complete can support against possible reductions of beneficial microorganisms and maintain a healthy, balanced gastrointestinal microbiota.[†] Ther-Biotic® Complete contains:

- **A synergistic blend of 12 probiotic species:** The 12 safe, well-studied probiotic lactic acid bacteria in Ther-Biotic® Complete provide a broad-spectrum of benefits that help restore intestinal microbiota balance more effectively compared to single species formulas.[†] Six colonizing *Lactobacillus* species important for the small intestine, 4 colonizing *Bifidobacterium* species important for the colon, and 2 beneficial transient bacteria used as starter cultures in yogurt, provide benefit throughout the GI tract.[†]
- **Protective delivery system:** To be effective, the living organisms in probiotic supplements must survive exposure to stomach acids as they travel to the small intestine and colon. Ther-Biotic® Complete utilizes InTactic®, a proprietary technology that protects probiotics against destruction by harsh gastric conditions, resulting in significantly more live microorganisms delivered to the small intestine than unprotected probiotic formulations.
- **Hypoallergenic ingredients:** Probiotics used in Ther-Biotic® Complete are cultured on a proprietary vegetable-based growth media. Ther-Biotic® Complete is free of the following common allergens: milk/casein, eggs, fish, shellfish, tree nuts, peanuts, wheat, gluten, and soybeans. Contains no artificial colors, flavors, or preservatives. Inulin, a dietary fiber derived from chicory root, is used as a base ingredient in place of maltodextrin, often used in other probiotic supplements.

Formula:

CAPSULES

Medicinal Ingredients (quantity per capsule)/ Ingrédients médicinaux (quantité par capsule):

Lactobacillus rhamnosus (6 x 10⁹ CFU/UFC)
Bifidobacterium bifidum (5 x 10⁹ CFU/UFC)
Lactobacillus acidophilus (3 x 10⁹ CFU/UFC)
Lactobacillus casei (2.5 x 10⁹ CFU/UFC)
Lactobacillus plantarum (2.0 x 10⁹ CFU/UFC)
Lactobacillus salivarius (2.0 x 10⁹ CFU/UFC)
Bifidobacterium longum (1.0 x 10⁹ CFU/UFC)
Lactobacillus paracasei (5.0 x 10⁸ CFU/UFC)
Bifidobacterium animalis subsp. Lactis (5.0 x 10⁸ CFU/UFC)
Bifidobacterium breve (5.0 x 10⁸ CFU/UFC)

Non-Medicinal Ingredients/Ingrédients non médicinaux:

Streptococcus salivarius subsp. Thermophilus
Lactobacillus delbrueckii subsp. Bulgaricus
 Inulin/Inuline
 InTactic® proprietary polysaccharide complex/
 Complexe breveté de polysaccharides InTactic®
 Hypromellose
 Purified water/Eau purifiée
 L-Leucine

Route of administration/Voie d'administration: Oral/Orale

Recommended dose/Dose recommandée:

Adults, Adolescents, and Children (1 year old and older)/
 Adultes, Adolescents, et Enfants âgés de 1 an et plus:
 1 capsule 1 time per day/1 capsule 1 fois par jour

V775-06-CN 60 vegetarian capsules

V775-12-CN 120 vegetarian capsules

POWDER

Medicinal Ingredients (quantity per 1/4 teaspoon)/ Ingrédients médicinaux (quantité par 1/4 cuillère à thé):

Lactobacillus rhamnosus (2.4 x 10¹⁰ CFU/UFC)
Bifidobacterium bifidum (2.0 x 10¹⁰ CFU/UFC)
Lactobacillus acidophilus (1.2 x 10¹⁰ CFU/UFC)
Lactobacillus casei (1.0 x 10¹⁰ CFU/UFC)
Lactobacillus plantarum (8.0 x 10⁹ CFU/UFC)
Lactobacillus salivarius (8.0 x 10⁹ CFU/UFC)
Bifidobacterium longum (4.0 x 10⁹ CFU/UFC)
Lactobacillus paracasei (2.0 x 10⁹ CFU/UFC)
Bifidobacterium animalis subsp. Lactis (2.0 x 10⁹ CFU/UFC)
Bifidobacterium breve (2.0 x 10⁹ CFU/UFC)

Non-Medicinal Ingredients/Ingrédients non médicinaux:

Streptococcus salivarius subsp. Thermophilus
Lactobacillus delbrueckii subsp. Bulgaricus
 Inulin/Inuline
 InTactic® proprietary polysaccharide complex/
 Complexe breveté de polysaccharides InTactic®

Route of administration/Voie d'administration: Oral/Orale

Recommended dose/Dose recommandée:

Adults, adolescents, and children (1 year old and older)/
 Adultes, adolescents, et enfants âgés de 1 an et plus:
 1/4 teaspoon (1 gram) 1 time per day/1/4 cuillère à thé
 (1 gramme) 1 fois par jour

K-TCP-CN 2.25 oz. (64 grams) powder

Suggested use: Capsules: Adults: 1 capsule daily with food or as directed by a healthcare professional. **Children:** As directed by a healthcare professional. **Powder: Adults:** 1/4 teaspoon daily with food or as directed by a healthcare professional. **Children:** As directed by a healthcare professional. **Caution:** If you are pregnant, nursing, have a medical condition, or taking prescription drugs, consult your healthcare professional before using this product. Keep out of reach of children.

About InTactic® acid-stable technology

Ther-Biotic® Complete contains InTactic®, a highly purified vegetarian polysaccharide material of marine plant origin which forms a gel-like matrix that surrounds and protects probiotic bacteria from destruction by gastric acid. This allows the friendly probiotic bacteria to survive the stomach acid and be delivered alive into the small intestines where they are released intact to exert their health-promoting function. As a result, high functional potencies of live friendly bacteria are delivered where they are needed.
