**PRODUCTS**

Our goal is to provide health practitioners with the highest quality products, backed by **science** and **education**.

**SERVICE**

Warehouses in Ontario and BC enable us to **deliver** the products in a **timely manner**.

**PASSION**

Our **educational** resources continue **to grow**.

ProMedics has been supporting NDs in Canada with education and high-quality products for 15 years.

We are a distributor, not a manufacturer. We bring ND approved natural products lines into Canada.

Please send a [quick email](#) so you can be added to our newsletter and sign up for our upcoming virtual clinical talks or if you want access to our retail wholesale price list.

As soon as you graduate, contact us (@ 877-268-5057 or [info@promedics.ca](mailto:info@promedics.ca)) to set up your own account, have access to all of our professional products, establish ongoing clinical training with your local rep, and attend our many practitioner training sessions.

**Nothing breeds confidence like having a clinical resource to lean on in those first years of practice.**
